

**PHG Needs Assessment Calculator****Uzbekistan****Health Services**

Welcome to the PHG Health Needs Assessment Calculator for Health Services. The contents of this file are listed below.

| Full name of the sheet   | Short name     |
|--|----------------|
| Country demographic, maternal health and socioeconomic indicators            | Demography     |
| Country health-service data  | HealthServices |
| Health services: Birth prevalence estimates for various congenital disorders | HSER-NA1       |

**Uzbekistan**  
**Shared Data**  
**Demographic, maternal health and socio-economic indicators**

Please read first! If you have already completed a needs assessment for a different topic in this country, you will be able to copy the Demography information from that Calculator into here. The information should be the same.

By default, the Toolkit contains information at the national level.

If you would like to use a different population, then replace country information with that of your specific population of interest.

| Number of persons by age-group and sex | Estimates             |          |          | Your estimates |        |       | Chosen estimates |        |       |
|--|-----------------------|----------|----------|----------------|--------|-------|------------------|--------|-------|
